London, Aug 23, 1867.

Dear Sir,

196

I feel greatly obliged by your note of the 21st Inst to my friend Mr Lazarus, and am very glad to learn that we may hope to see you at our Crystal Palace gathering on the 3d Sept.

The Committee are=

you will speedily be able to remove the obstacles that prevent you from giving an unqualified promise to attend the great Gathering of the friends of Temperance. Do not allow the question of a travelling car from the Cantine at or elsewhere to stand in the way for a single moment.

Do me & Ronald like to make your visit Lawn makings in London, but

also in the five
or six hundred
towns from which
we shall have
Confirmation Visits
on the occasion
of our Centenary
Year, it will be
esteemed a special
favour if you
send a line as
soon as possi-
ble after you can
decide.

I am glad to see
that my committee
have given you a
warm reception
at Glasgow.

Yours sincerely
Robert Rae
